Terrible Guerrilla Diabolism.

We publish a short account, by telegraph,

our levee on Sunday evening, reported that

she was stopped at Sibley, on Saturday

morning last, by a band of from forty to

sixty bushwhackers, supposed to be a por-

LEATHER WORK,

In Harness Trimming, Boot and Shoe Making, Har-  
ness Making, etc. They are of extra size, with an

arm long enough to take under and stitch the large

leather straps. There is scarcely any part of a machi-

ne's stitching that cannot be done with them with-  
out any aid, so that the saving of time and labor is

very great. The table under these machines is 24 inches

wide, and the shuttle will hold six times the usual

quantity of thread. The large machines work as fast

as small ones.

We would ask for our Letter A machines, the special

attention of Vest Makers and Dress Makers, and all

those who want machines for light manufacturing pur-

poses. They embody the principles of the standard

machines, making like them, the interior stitch, and

are adapted to be used for many kinds of sewing

chines are for manufacturing purposes in general.

DAILY GAZETTE.

THE SAM GATY BUTCHERY.

Terrible Guerrilla Diabolism.

We publish a short account, by telegraph,

of the seizure of the steamboat Sam Gaty,

at Sibley's Landing, on the Missouri river,

which was accompanied by outrages of the

most barbarous and inhuman character.

We are indebted to the Leavenworth Times

for the following details:

The steamboat Sam Gaty, which arrived at

our levee on Sunday evening, reports that

she was stopped at Sibley's Landing, Sat-  
urday morning last, by a band of from forty

to sixty bushwhackers, supposed to be a por-  
tion of the gang under Todd or Quantrell,

though at the time of the outrage in ques-  
tion, in command of a man named Clifford.

As the boat was passing Sibley, the pilot

was hailed, and ordered to run ashore, un-  
der a penalty of shooting, and being within

a few yards of the landing, had no alterna-  
tive but to obey.

As the boat touched the shore, she was

almost immediately taken possession of by

the guerrillas, who were armed with

captain from his berth—it being then about

two o'clock in the morning—and informed

him that he was for the time being a pris-  
oner. About 30 contrabands being on the

boat, they were ordered ashore, the bush-  
whackers being surprised to find so small

a number, as they had been informed that

there were 300; and they expected to

find with them "Parson Fisher," and

threatened to burn the boat within fifteen

minutes unless he was produced; but be-  
ing apparently satisfied with the captain's

assurance that the person was not on board

they did not execute the threat. The cap-  
tain informed them that the contrabands

were in charge of a private soldier, who

could not be found. When the negroes

were marched ashore the captain asked the

guerrilla leader what he intended to do

with them. He replied, "blow their brains

out!" The captain remonstrated with him,

and finally he concluded to kill only the

"bunch" and the forthwith eight men

were murdered—the rest, consisting of

hiding in the darkness. There were on

board eight of the Missouri militia—two of

McKernan's regiment and six of Penick's.

The guerrillas paroled the former, and kill

ed two and wounded one of the latter, three

escaping. The bushwhackers kill all of

Penick's men that fall into their hands. They

then proceeded to throw overboard some

forty-eight wagon beds, and from forty

to seventy-five sacks of flour and rice that

belonged to the government.

They robbed every man on board, and

the safe, which contained about \$600. One

gentleman had some \$500 or \$600 taken

from him. The boat had a very large car-  
go, but it was not disturbed.

The St. Joseph Herald learns the follow-  
ing additional particulars from an eye wit-  
ness:

The steamboat had arrived at Sibley's

Landing, where the channel was close to

shore, and was hailed by some men on the

bank, followed by the cracking of a dozen

or more guns. The pilot put her in shore,

and George Todd and about twenty-five of

his gang of guerrillas came aboard. It was

almost morning, and there was no moon.

The rebels were dressed in butter-

net, having two of Col's navy revolvers each

(and some as many as three and four) and

shot-guns and rifles. Todd wore a large

cloth coat, with an ample cape and flowing

sleeves, and had also a slouched hat, which

he soon exchanged with a passenger for a

new light-colored beaver. He gave the

command, and the work of murder com-  
menced. The passengers were mostly

ladies, and the few gentlemen were un-  
armed.

They first killed Geo. Meyer by shooting

him in the back. Meyer was formerly in

this city, and when Col. Peabody was here

at the siege of Lexington, he was in

Major Berry's cavalry command, acting as

Quartermaster. For a time he was Sergeant

Major of the 5th cavalry, Col. Penick.

During the last winter he was frequently

engaged, with Assistant Secretary Rodman,

**Former Votes in this City.**—By a comparison of the votes of last spring and last fall with the vote yesterday, it will be seen that the republican vote has steadily increased, and that the reduction from the majority of last fall is in consequence of the large increase in the vote polled. Last spring the highest vote polled was 1,143; and for school commissioner, which was a fair party vote, the republican candidate received 628, and the democratic candidate 513—a republican majority of 115. Last fall 1,099 votes were cast, and on senator the republicans received 643, and the democrats 454—a majority of 191. This spring 1,285 votes were polled, and on mayor the republicans cast 690, and the democrats 595—a majority of 96.

## General Vote.

As usual, the first returns by telegraph are scattering, and unconvincing of the result. We put in a condensed shape all we have received:

**Majorities for Dixon.**—Berlin, 117. Bos-cobel, 47. Whitewater, 203. La Crosse city, 25. Racine, 216. Kenosha, 100. Beaver Dam, 35. Waupun, 16. Oshkosh city, 73. Medina, 6. York, 60. Verona and Springdale, 20. Primrose, 81. Nee-nah, 100. Delavan, 287. Darien, 181.—Sharon, 250.

**Majorities for Cothren.**—Milwaukee city, 3,249. Pulaski, (Iowa Co.), 21. Horizon, 228. Juneau, 46. Portage City, 47. Fond du Lac, 40. Fitchburg, 35. Madison city, 91. Watertown, 470. Green Bay and Fort Howard, 65. Taychedah, 107. Menasha, 200. Eagle, 82.

One supervisor on republican ticket elected by 6 majority. Union clerk elected by 16 majority, and one "Union" justice by 5. Dixon 16 majority.

**The Ladies' Hospital Relief Society** will meet in their room in Jackson & Smith's block, on Thursday, April 9th, from 10 o'clock A. M. till 6 o'clock P. M. MARIA F. CLARK, Sec'y.

**Old Folks Concert.**—The singers who took part in the Old Folks Concert are requested to meet at Mr. Wilson's music store, to-morrow (Thursday) evening, at 7 1/2 o'clock.

We are gratified that the singers of this city have resolved to give another concert for the benefit of the Ladies' Soldiers Aid Society. Their former effort was highly successful and encouraging. It met with a proper and hearty response from the people, and the proposition for another concert will be well received. When the noble object is considered, we cannot well see how any, desirous of performing their whole duty towards our brave defenders. In the field, can fail to unite in this scheme for replenishing the funds of this worthy society. We are quite sure that the second concert will be as much of a success as the first, and that the people of Janesville are ready to do their part. The whole question rests entirely with the singers, to be decided at their meeting to-morrow evening.

**Beloit College.**—The Summer term of study in Beloit College will commence on Wednesday April 15th, and continue twelve weeks.

**Trustworthy Organizations in Wisconsin.**—The Berlin Contract understands that an organization exists in Marquette county, sworn to resist the arrest of deserters.

# Lyons' Kathaloon.

This delightful article for preserving and beautifying the human hair is again put up by the original proprietor and is now made with more skill and attention, which first created its immense and unprecedented sale of over one million bottles annually. It is still sold at 25 cents in large bottles. Two million bottles can easily be sold in a year when it is as well known that the Kathaloon is not only the most beautiful hair dressing in the world, but that it cleanses the scalp, keeps the hair from falling out, and gives the hair a lively rich luxuriant growth, and prevents it from turning gray. The Kathaloon has been tested for over twelve years, and is warranted as described. Any lady who uses it will find it a most valuable and reliable hair dressing. It is sold by all respectable dealers throughout the world.

### GRAIN AND PRODUCE DEALERS.

JANESVILLE, APRIL 8, 1887.

The grain market has been very quiet during the past few days, which is owing to the fact that most of the farmers are busily engaged with their spring work. ## Chicago Market.

OFFICE OF CHICAGO TRIBUNE, JOURNAL, & HERALD, Tuesday, April 7—3 P. M.

There is no very important change to notice in monetary affairs. Currency is in better supply, and the general money market rules easy at 10 per cent.—Eastern exchange is less firm, but the rates are steady, at 1/2 of 1 per cent premium buying, and 1/4 per cent selling.

Gold is steady. The quote on the first bond, this morning, was 132, but here a round lot could not be placed at anything over 100. Silver is quiet at 135 1/2 for small and large coins. Seven thirties and new yearly certificates are scarce and nominal, at 107 1/2 for the former, and 97 1/2 for the latter.

There was no shipping demand for grain and the leading markets were dull and heavy. Wheat was very quiet, with light sales of No 2 spring at \$1.03 1/2 to \$1.04, subject to storage. Flour was without life or animation, and prices were entirely nominal.

Corn was dull at 47 1/2 for winter receipts of mixed—old heavy at 47 1/2. The sales of canal corn were light, and continued to two boat loads of yellow at 53 1/2 to 54.

There was less activity in oats, and the market was scarcely so firm. About 3,000 bushels changed hands at 56 1/2 to 57, for winter receipts.

Rye in store was quiet and nominal, but there was a fair inquiry for lots on track, by distiller, and sales of good samples were made at 77 to 80. Barley quiet and without material change. Timothy seed more active. Highland nominal. Clover and flax seeds dull.

Provisions continue dull and nominal. The fatness of both east and west at the yard, this morning, was moderate and sales were at unchanged prices.

Lard freight was quiet and without material change. Hogs were made at 6 1/2 to 6 3/4 for oats and 6 1/2 to 6 3/4 for corn to Buffalo.

Provisions continue dull and nominal. The fatness of both east and west at the yard, this morning, was moderate and sales were at unchanged prices.

Lard freight was quiet and without material change. Hogs were made at 6 1/2 to 6 3/4 for oats and 6 1/2 to 6 3/4 for corn to Buffalo.

Corn was dull at 47 1/2 for winter receipts of mixed—old heavy at 47 1/2. The sales of canal corn were light, and continued to two boat loads of yellow at 53 1/2 to 54.

There was less activity in oats, and the market was scarcely so firm. About 3,000 bushels changed hands at 56 1/2 to 57, for winter receipts.

Rye in store was quiet and nominal, but there was a fair inquiry for lots on track, by distiller, and sales of good samples were made at 77 to 80. Barley quiet and without material change. Timothy seed more active. Highland nominal. Clover and flax seeds dull.

J. M. HURD, Postmaster.

**J. I. Foot, esq., county superintendent,**  
will lecture at Emerald Grove, on Friday  
evening, the 17th inst., the first evening of  
the examination at that place.

**FORMER VOTES IN THE CITY.**—By a  
comparison of the votes of last spring and  
last fall with the vote yesterday, it will be  
seen that the republican vote has steadily  
increased, and that the reduction from the  
majority of last fall is in consequence of  
the large increase in the vote polled. Last  
spring the highest vote polled was 1,143;  
and for school commissioner, which was a  
fair party vote, the republican candidate  
received 628, and the democratic candidate  
513—a republican majority of 115. Last  
fall 1,099 votes were cast, and on senator  
the republicans received 645, and the dem-  
ocrats 454—a majority of 191. This  
spring 1,285 votes were polled, and on  
mayor the republicans cast 690, and the  
democrats 595—a majority of 95.

**The Ladies' Hospital Relief Society**  
will meet in their room in Jackson &  
Smith's block, on Thursday, April 9th,  
from 10 o'clock A. M. till 5 o'clock P. M.  
MARIA F. CLARK, Sec'y.

**OLD FOLKS CONCERT.**—The singers who  
took part in the Old Folks Concert are re-  
quested to meet at Mr. Wilson's music store,  
to-morrow (Thursday) evening, at 7 1/2  
o'clock.

We are gratified that the singers of this  
city have resolved to give another concert  
for the benefit of the Ladies' Soldiers Aid  
Society. Their former effort was highly  
successful and encouraging. It met with a  
proper and hearty response from the peo-  
ple, and the proposition for another concert  
will be well received. When the noble ob-  
ject is considered, we cannot well see how  
any, desirous of performing their whole  
duty towards our brave defenders in the  
field, can fail to unite in this scheme for  
replenishing the funds of this worthy soci-  
ety. We are quite sure that the second  
concert will be as much of a success as the  
first, and that the people of Janesville are  
ready to do their part. The whole ques-  
tion rests entirely with the singers, to be  
decided at their meeting to-morrow evening.

**BELOIT COLLEGE.**—The summer term of  
study in Beloit College will commence on  
Wednesday April 10th, and continue  
two weeks.

**TENNESSEAN ORGANIZATIONS IN WIS-  
CONSIN.**—The Berlin Concert understands  
that an organization exists in Marquette  
county, sworn to resist the arrest of desert-  
ers.

## COMMERCIAL.

BUMP & GRAY,  
GRAIN AND PRODUCE DEALERS,  
JANESVILLE, APRIL 9, 1883.**

The grain market has been very quiet during the

sell at 95c to \$1.05 for fair to good milling samples and  
\$1.10 for shipping grades. Course grades are in de-  
mand at our full quotations. Better and eggs more  
plenty and lower.

We make up prices as follows:  
WHEAT—white winter, 1,500, 20c per bushel, mil-

\$6.00 common to fair. Yellow and mixed lots 45c to 50c per 50 lbs, and
